(a) the number of new Horticultural Farms that were taken up for development by Horticultural Department in the State;

(b) when was the Horticultural Farm near Obajrihalli taken over by the Horticulture Department and what is the progress made in this farm so far ;

(c) what are the measures intended to be taken by the Govern ment to develop this farm ;

SRI K. B. SHIVAIAH (Minister for Sericulture and Horticulture)

(a) So far 352 Horticultural Farms have been taken up by Horticulture Departme it.

(b) The Department has not sanctioned or taken up any Horticultural Farm in this village.

(c) Does not arise.

SMT. C. NAGAMMA KESHAVAMURTHY.—This farm is there near Malakondanahalli. Some 60 acres have been given for this farm and the T.D.B had spent Rs. 40,000-50,000 for this farm. They have done the fencing. Two wells have been sunk in that farm and this farm was handed over to the Horticulture Department for further development some 3-4 years back but now they want to hand over it to T.D. B. I want the Government to have this farm and also to see that a Training Centre is established in this area so that the amount that has already been spent on the land will not become a waste.

†SRI K. B. SHIVAIAH.—There are already 5 Farms in Davangere Taluk. This Obajrihalli farm was under the control of T.D.B., Davangere in 1972-73. They spent some money and later, handed over the same to the Horticulture Department. Now, this farm, in the opinion of the Department, is not feasible to propogate Horticultural crops. Hence, it was proposed to hand it over back to the T. D. B.

SMT. NAGAMMA KESHAVAMURTHY.—The Hon. Minister has stated that there are 5 farms in Davangere Taluk. I would like to know which are those farms ?

SRI K. B. SHIVAIAH.—

|---|---|---|
| Davangere Fruit Orchard ... | 12.12 | Acres |
| Davangere Office Nursery farm | 3 | Acres |
| Fruit Orchard ... ... | 40 | acres |
| Hoticultural Farm at Malakondanahalli ... ... ... | 60 | acres |
| Horticultural Farm at Kadajji | 220 | acres |

SMT. C. NAGAMMA KESHAVAMURHTY.—I would like to bring to the notice of the Government that this 220 acres of land in Kadajji has been handed over to the Agricultural Department for the establishment of an Agricultural School and this 60 acres of farm in Malakonda nahalli which was mentioned by the Hon. Minister is the same one which I have mentionedin my question as Obajrihalli, farm. There is only one farm at Obajrihalli. Will the Government consider this proposal of developing this farm and also the establishment of a Horticultural Training Centre in that area ?

SRI K. B. SHIVAIAH.—We want to consolidate it and see that the ryots are benefitted by these farms. In that taluk, some 220 acres of land are there and I will take note of the suggestion of the hon. Member to take it over by the Department.

SMT. C. NAGAMMA KESHAVAMURTHY.-The land has already been handed over to the Agriculture Department, and a proposal for the establishment of an Agricultural School is also before the Government for its consideration.
